

# ONE STARRY NIGHT

## EXPLORE THE COSMOS AND CELEBRATE EARTH HOUR!

We will turn off the lights and head outside. Kids will create a star craft to take home. Local astronomers will explain the planets, stars, and phases of the moon. There will be a telescope set-up to view the starry night sky! Please dress for cold weather.

**Saturday, March 25**  
**Time: 7:30-9:30pm**  
**Site: Nature Center**  
**Fee: \$5 or \$15/family of 4**
